

# Tropical Mozambique

## Day 1– Johannesburg (or Nelspruit) - Vilanculos

Today you will fly directly from Johannesburg (it is also possible that you can depart from Nelspruit) to Vilanculos in Mozambique. Vilanculos is a place on the mainland of Mozambique off the splendid and tropical Bazaruto Archipelago.

This Group of 5 islands off Mozambique offer the idyllic unspoiled tropical island setting for your vacation. The area offers unspoiled coral pink beaches, World Class deep sea fishing, salt water fly fishing, scuba diving and snorkeling.

The **Bazaruto Archipelago** is a protected National Park - the islands are pristine and undeveloped - no roads, no shops, no tourist attractions - just unbelievable natural beauty!

You will stay in an accommodation of your choice. Either in Vilanculos itself (examples are Vilanculos Beach Lodge or Casa Rex) or for the more exclusive lodges on the islands we can recommend Bazaruto Lodge or Marlin Lodge.

At the water sport centre you can book all kinds of activities in the field of watersports, such as snorkel, dive boat trips etc.

## Day 2 until day 5 – Bazaruto Archipelago

On these days you will spend experiencing and marvelling at the beautiful tropical and very romantic surroundings.

A kaleidoscope of colour greets you above and below the ocean. Magnificent reefs for diving and snorkelling, home to the turtles that nest on the island's outer shores. Migrating whales, dolphins, and the elusive and protected dugong ply these waters, along with marlin, sailfish and tuna to tempt the sportsfishermen. On land, towering sand dunes give way to indigenous bush abundant with local flora and fauna, an interesting variety of birdlife, as well as the odd crocodile or two at the lakes.

The island's local people make for fascinating cultural encounters, and the starry night sky is quite magnificent to behold.
